SCIENCE SYMPOSIUM PHOTOS

On September 29 and 30, 2006, Lebanon Valley College held a symposium, titled Disappearing Boundaries: Pandemic: The Race to Understand Viruses. Dr. Nina Marano, D.V.M., M.P.H., Dipl. A.C.V.P.M., associate director of veterinary medicine and public health for the National Center for Infectious Diseases of the U.S. Centers for Disease Control and Prevention was the keynote speaker. SAVE THE DATE – ALUMNI RECEPTION AT THE ANTIQUE AUTO MUSEUM

Save the date! Join alumni and friends on November 30 from 5:30 to 7:30 p.m. for a reception at this fascinating venue in Hershey. Special guests will include auto aficionado Don Shell '66, as well as the Museum's own curator and executive director. NEIDIG-GARBER TOPPING OFF CEREMONY

Members of the Board of Trustees, College administrators, faculty members, and student representatives of the sciences joined President MacDonald at the "topping off" ceremony held on October 17, 2006, on the third floor of the Neidig-Garber Science Center, which is currently under construction. Together, they celebrated a milestone in the building's construction: a "topping off" ceremony. Traditionally, the last steel beam is signed, and once installed, an evergreen tree is attached to the beam symbolizing that the building project has proceeded well and without injury. It also serves as a good luck charm for the occupants of the building. Visit

TRIPLE CROWN

The Triple Crown has been won twice, but last year went unclaimed! No, LVC's classes of 1954 and 1965 did not previously become world-champion jockeys since graduation, but they have earned LVC's "Triple Crown" of alumni awards! Now, they're challenging this year's reunion classes to repeat their success by winning the Dutchman, Quittie, and Founder's cups presented during Alumni Weekend. Log on to

WALK THIS WAY

Recent graduates are at it again! This year, they are showing their support for their alma mater by leaving a lasting impression and making their mark on campus. The College is offering an opportunity exclusively for graduates of the last decade. They have the chance to personalize their own brick, which will be installed on the Social Quad in front of the Mund College Center. For more details, to see how you can purchase your brick for just \$10 a month, or to share with fellow graduates the location of your favorite haunts, visit <http://www.lvc.edu/alumni/tracker.aspx?url=http://www.lvc.edu/brick>.

EXHIBITION AT THE ARNOLD GALLERY EXPLORES WORLD WARS THROUGH POSTERS

The ghostly image of a mother and child sinking through the ocean water on the World War I *Enlist* poster was created to persuade Americans that we should enter World War I after the Germans torpedoed and sank the Lusitania. The poster provides just one glimpse into the recent past from an engaging new exhibition at the Suzanne H. Arnold Art Gallery at Lebanon Valley College. *Designing for Victory 1914–1945: Posters from the U.S Army Heritage and Education Center*, features about 25 original posters that will be on display from Oct. 20 through Dec. 10. All Gallery events are free and open to the public, but donations are accepted. An opening reception at the Arnold Art Gallery is set for Friday, Oct. 20 from 5 to 7 p.m. During the opening, at 6 p.m., Dr. Grant Taylor, an assistant professor of art history and digital communications at LVC, will give a gallery talk on selected works from the show.
